- **What's big?** We're awarding a \$5,000 "Summer Sizzler" prize in July and a \$5,000 "Holiday Blowout" prize in December. To have a chance, you just need to qualify for one monthly drawing in either January through June or July through November.
- **What's new?** Earn points for each new business customer who signs up for an online self-service account.
- **What's changed?** Earn points for quoting and binding any residential or recreational product line—flip the page for the complete state and product list.
- **What's the same?** For every month you qualify you have a 1-in-3 chance at winning a \$100 e-gift card. Just register so we know to track your production.
- **When does it run?** The incentive runs January through November. Once you register, we'll let you know where you stand with a mid-month status email—and maybe a "You won!" email.
- Don't put off registering. It just takes a minute.
